Slide;

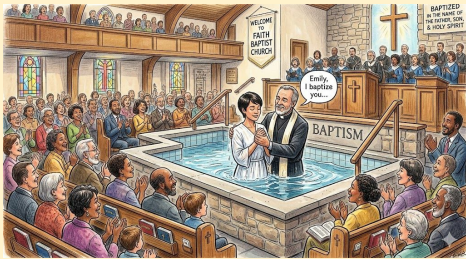

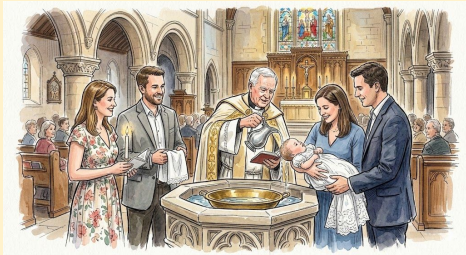

1. NA
2. Complete recall table
3. Share answers
4. Consider which denomination the lesson is about, reveal images
5. Learning journey
6. Share answer and introduce topic
7. Give out time line - SELECT MOST APPROPRIATE FOR CLASS, EITHER A GAP FILL OR OPEN BOX FILL IN
8. Reflect on timeline and answer questions
9. Possible answers
10. Introduce daily life in the Amish community
11. Answer questions
12. Check answers
13. Put subtitles in books
14. Show video
15. Show video
16. Show video
17. Record answers
18. Check answers
19. Check answers
20. Check answers
21. Introduce rumspringa
22. Show videos
23. Answer questions
24. Check answers
25. - 34 Optional activity, if time
35. Plenary
36. Possible answers

By the end of the lessons students need to know;

1. The origins of the Amish from the Anabaptist movement in Europe
2. That the Amish, like the LDS and others, moved to America to practise their faith freely
3. That the Amish live a simple life focused on humility, obedience and community
4. What Rumspringa is

Tradition	Who is baptised?	Why?
Catholic		
Baptist		
LDS		

Topic question; Why don't all Christians express their religious tradition in the same way?

Tradition

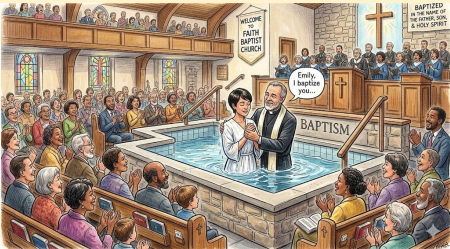

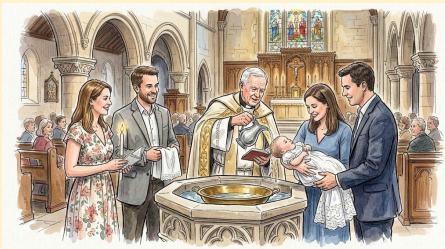

Who is baptised?

Why?

LDS

Topic question; Why don't all Christians express their religious tradition in the same way?

Which Christian group do you think we will be looking at today?

Topic question; Why don't all Christians express their religious tradition in the same way?

Unit 5 - Why don't all Christians express their religious tradition in the same way?

Core concepts

Belief

**Wisdom
and
authority**

Community

1. How diverse is Christianity in the USA?

1

2. What are the largest Christian groups in the USA?

2

4. What is the history and development of the Church of Jesus Christ of Latter Day Saints?

4

6. Why is the Prosperity Gospel controversial?

6

3. What do fundamental Christians believe about creation?

3

5. What is the history and development of the Amish?

5

7. How are religion and politics connected in the USA? *

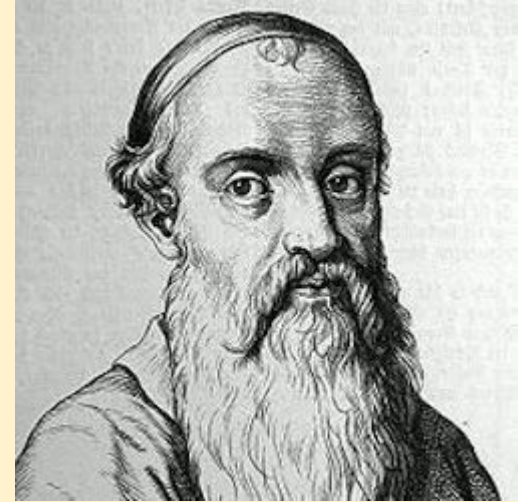

7

What is the history and development of the Amish?

Who are the Amish?

- The Amish are a group of Christians who live simply and follow strict rules about daily life.
- They come from the Anabaptist movement in Europe (1500s).
- Their leader Jakob Ammann encouraged a life of humility, community, and separation from mainstream society.
- The Amish believe that faith should be chosen freely, so people are only baptised as adults.
- Today, most Amish live in rural communities in the United States, keeping farming, crafts, and simple living central to their lives.

Lesson question; What is the history and development of the Amish?

Topic question; Why don't all Christians express their religious tradition in the same way?

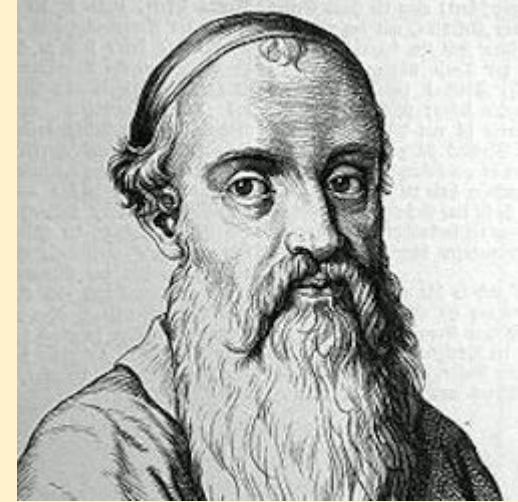

What is the history and development of the Amish?

How did the Amish community develop?

On your timeline you have 10 key events to complete.

Two of these (the slightly grey boxes) are about other events we have looked at so far - the Mayflower and the founding of the LDS. These are there to help you build a bigger picture of the history and development of Christianity in the USA.

Lesson question; What is the history and development of the Amish?

Topic question; Why don't all Christians express their religious tradition in the same way?

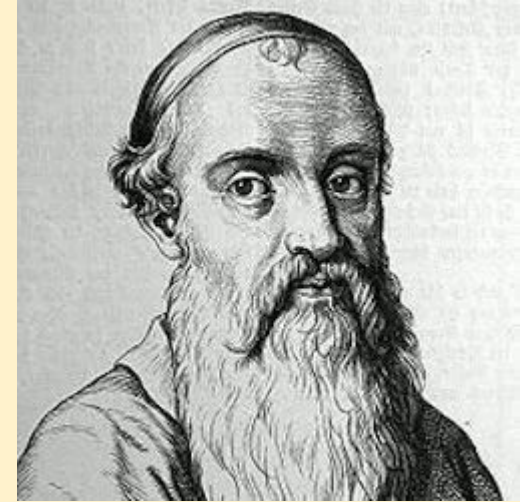

Practice

What is the history and development of the Amish?

Why did the Amish leave their homes and travel to America?

How is this similar or different to the LDS?

Lesson question; What is the history and development of the Amish?

Topic question; Why don't all Christians express their religious tradition in the same way?

What is the history and development of the Amish?

Why did the Amish leave their homes and travel to America?

- They were persecuted in Europe because of their beliefs
- They moved to America to have freedom to practice their religion.
- They were able to create communities where they could live according to their faith.

How is this similar or different to the LDS?

- The LDS faced persecution in America because of their beliefs and practises
- Like the Amish they moved to a new area to have the freedom to live according to their religion
- They also wanted to create a safe community to live according to their faith.
- However the Amish migrate first and focus on living simply and away from modern society.
- The LDS were led by a prophet whereas the Amish were not.

Lesson question; What is the history and development of the Amish?

Topic question; Why don't all Christians express their religious tradition in the same way?

What is the history and development of the Amish?

What is daily life like in the Amish community?

Now we have looked at how the Amish community began and why, we need to think about how they live today.

Lesson question; What is the history and development of the Amish?

Topic question; Why don't all Christians express their religious tradition in the same way?

What is the history and development of the Amish?

What is daily life like in the Amish community?

1. How do the Amish try to show their Christian faith in daily life?
2. What are the Ordnung?
3. What do these aim to help the Amish avoid?

Lesson question; What is the history and development of the Amish?

Topic question; Why don't all Christians express their religious tradition in the same way?

What is the history and development of the Amish?

What is daily life like in the Amish community?

The Amish believe that **faith** should **shape** everyday life. Instead of focusing mainly on debates about beliefs, they try to show their Christianity through how they **live, work, and treat others**.

Many parts of Amish life are guided by the **Ordnung**. This is a set of **shared rules** that help communities live **simply, humbly, and closely together**.

These rules are **not always written down**, and different Amish communities may follow them in **slightly different ways**. However, they all **aim to help** Amish people **avoid pride, reduce materialism, and strengthen their community**.

Lesson question; What is the history and development of the Amish?

Topic question; Why don't all Christians express their religious tradition in the same way?

What is the history and development of the Amish?

Now let's look at some specific parts of daily life in the Amish community.

In your book record these 5 titles, leave about 3 lines between each.

As you watch the videos, record key pieces of information in each of the sections.

- Beliefs and baptism
- Family and education
- Technology and transport
- Clothing
- Farming and business

Lesson question; What is the history and development of the Amish?

Topic question; Why don't all Christians express their religious tradition in the same way?

What is the history and development of the Amish?

What can you record under each heading?

- Beliefs and baptism
- Family and education
- Technology and transport
- Clothing
- Farming and business

Lesson question; What is the history and development of the Amish?

Topic question; Why don't all Christians express their religious tradition in the same way?

What is the history and development of the Amish?

- **Beliefs and baptism**

- Bible - literal interpretation
- Ordnung - unwritten rules that govern all parts of life
- Humility, simplicity and obedience
- Adult baptism between 16-24, after a time of instruction and a choice to join the church
- Every other Sunday church services are conducted in Pennsylvania Dutch in the houses of community members, 3 hours long and have singing, scripture reading and prayer.

- **Family and education**

- Large families are common and extended families are important
- Marriages are arranged in the community and divorce is not allowed
- Attend school to the 8th grade
- Curriculum focuses on reading, writing and arithmetic and practical skills needed for Amish life, then children learn trades and domestic skills
- Children have less rules to follow
- Only allowed simple toys like dolls without faces

Lesson question; What is the history and development of the Amish?

Topic question; Why don't all Christians express their religious tradition in the same way?

What is the history and development of the Amish?

- **Technology and transport**

- Cautious and selective about what technology is used to stop weakening community ties or promoting individualism
- Horses and buggies
- Zippers can be considered too modern
- Some use green technology like solar panels and wind power
- Can accept help from other people and their technology
- Might be willing to be photographed by others, but won't sit for a portrait photo
- Music instruments aren't allowed

Lesson question; What is the history and development of the Amish?

Topic question; Why don't all Christians express their religious tradition in the same way?

What is the history and development of the Amish?

- **Clothing**

- Simple - plain, modest and showing humility and separation from the world
- Men; dark suits, suspenders, broad brimmed hats
- Women; bonnets, long dresses, capes
- Uniformity shows commitment to community and simplicity
- Unmarried men must remain clean shaven
- Upper lip shaved to show non-violence
- Women wear prayer coverings or caps and this covers long hair as they are forbidden from cutting their hair
- Women don't shave

- **Farming and business**

- Farming is the traditional occupation
- Carpentry, crafts and construction are other common occupations

Lesson question; What is the history and development of the Amish?

Topic question; Why don't all Christians express their religious tradition in the same way?

What is the history and development of the Amish?

What is Rumspringa?

What happens?

- Before an Amish teenager can choose to be baptised, they take part in a period called Rumspringa.
- This is when teenagers experience life outside the Amish community.
- The purpose of this is to help them decide for themselves whether they want to commit fully to the Amish faith and lifestyle.

Lesson question; What is the history and development of the Amish?

Topic question; Why don't all Christians express their religious tradition in the same way?

What is the history and development of the Amish?

Lesson question; What is the history and development of the Amish?

Practice

What is the history and development of the Amish?

What is Rumspringa? What happens?

Record your answers.

Lesson question; What is the history and development of the Amish?

Topic question; Why don't all Christians express their religious tradition in the same way?

What is the history and development of the Amish?

What is Rumspringa? What happens?

- Before an Amish teenager can choose to be baptised, they take part in a period called Rumspringa.
- This is when teenagers experience life outside the Amish community, they explore modern society, spend time with friends, and see what it is like to live without Amish rules. They may drink, smoke, drive and date. Experiencing modern conveniences and socialising with people who are not Amish.
- Leave parents and go out into the community outside.
- It varies in length. Usually between 16-20 years old.
- The purpose of this is to help them decide for themselves whether they want to commit fully to the Amish faith and lifestyle.

Lesson question; What is the history and development of the Amish?

Topic question; Why don't all Christians express their religious tradition in the same way?

Practice

What is the history and development of the Amish?

Would the Amish allow it?

Cars

Lesson question; What is the history and development of the Amish?

Topic question; Why don't all Christians express their religious tradition in the same way?

What is the history and development of the Amish?

Would the Amish allow it?

Cars

Usually avoided

Why: Cars allow people to travel far away easily and may weaken local community life. They may also encourage independence from the community.

Lesson question; What is the history and development of the Amish?

Topic question; Why don't all Christians express their religious tradition in the same way?

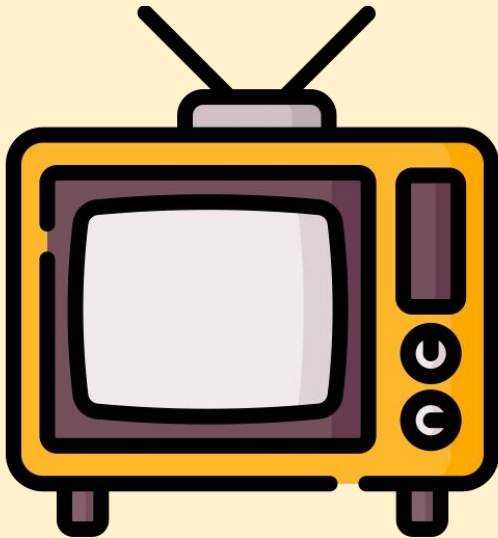

Practice

What is the history and development of the Amish?

Would the Amish allow it?

Television

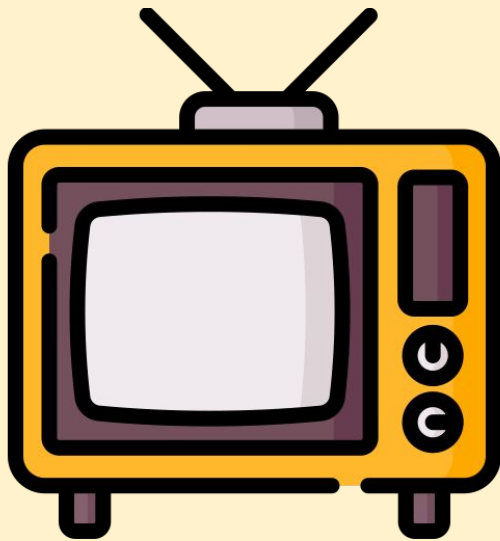

Lesson question; What is the history and development of the Amish?

Topic question; Why don't all Christians express their religious tradition in the same way?

What is the history and development of the Amish?

Would the Amish allow it?

Television

Avoided

Why: Television brings outside culture and entertainment into the home, which Amish believe could influence their values.

Lesson question; What is the history and development of the Amish?

Topic question; Why don't all Christians express their religious tradition in the same way?

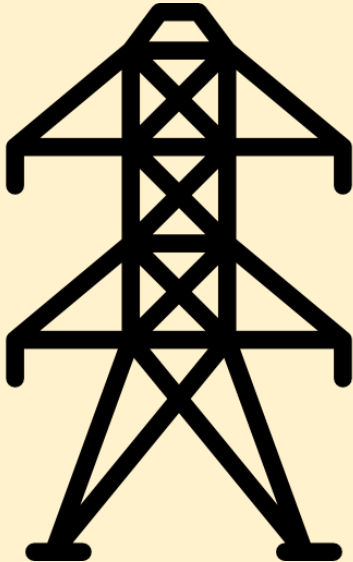

Practice

What is the history and development of the Amish?

Would the Amish allow it?

Electricity from public
power lines

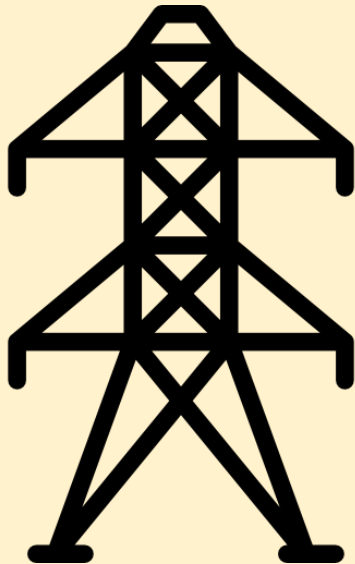

Lesson question; What is the history and development of the Amish?

Topic question; Why don't all Christians express their religious tradition in the same way?

What is the history and development of the Amish?

Would the Amish allow it?

Electricity from public
power lines

Usually avoided

Why: Being connected to the power grid increases reliance on the outside world and modern technology.

Lesson question; What is the history and development of the Amish?

Topic question; Why don't all Christians express their religious tradition in the same way?

Practice

What is the history and development of the Amish?

Would the Amish allow it?

Farming tools

Lesson question; What is the history and development of the Amish?

Topic question; Why don't all Christians express their religious tradition in the same way?

What is the history and development of the Amish?

Would the Amish allow it?

Farming tools

Allowed (often with limits)
Why: Farming is an important and honest way of supporting the community

Lesson question; What is the history and development of the Amish?

Topic question; Why don't all Christians express their religious tradition in the same way?

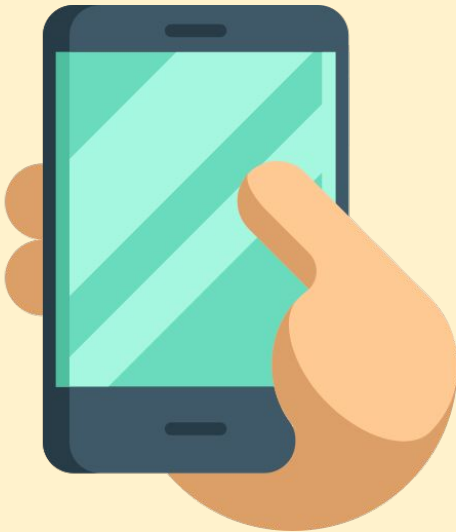

Practice

What is the history and development of the Amish?

Would the Amish allow it?

Mobile phones

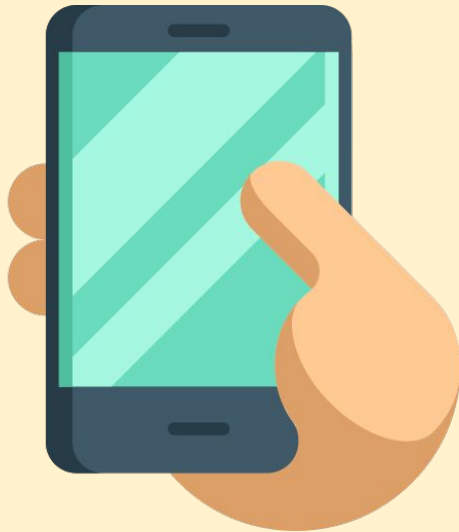

Lesson question; What is the history and development of the Amish?

Topic question; Why don't all Christians express their religious tradition in the same way?

What is the history and development of the Amish?

Would the Amish allow it?

Mobile phones

Sometimes allowed in limited ways

Why: Some Amish communities allow phones for business but often keep them outside the home to avoid overuse.

Lesson question; What is the history and development of the Amish?
